The Office of Student Financial Aid has received your 2008 – 2009 Free Application for Federal Student Aid (FAFSA). The National Student Loan Data System (NSLDS) found your reported social security number in their database, but neither your name nor date of birth matched. Therefore, the information we received on your application about your financial aid history does not contain the financial aid history that is associated with your reported social security number.

In order to verify your correct financial aid history and continue the processing of your application we will need the following information:

☑ **A copy of your social security card**

☑ **A copy of your valid driver's license or copy of a document verifying your date of birth**

Upon receipt of this information, the Office of Student Financial Aid will verify your financial aid history and continue the processing of your aid application.

FAILURE TO COMPLETE THIS FORM AS DIRECTED WILL RESULT IN THIS FORM BEING RETURNED TO YOU.
