SATISFACTORY ACADEMIC PROGRESS APPEAL GUIDELINES

Instructions

1. Please read and submit form.
2. Attach documentation to support your appeal.
3. Incomplete information or documentation will delay processing.

Circumstances that may be considered extenuating with supporting documentation:

1. Personal injury, illness or physical disability
2. Death/illness of immediate family member
3. Time Frame (see #4 under Documents - below)
4. Academic Renewal (All hours are included in the Satisfactory Academic Progress calculation)

Documents - Documentation may include, but is not limited to, one or more of the following:

1. Statement from Doctor on letterhead and signed by physician.
2. If you have a Hardship Withdrawal, please indicate that in your appeal letter.
3. Death certificate or obituary (include relationship to student).
4. Letter from department (stating graduation date and hours needed to complete degree) along with **documentation** supporting extenuating circumstances.

NOTE: SUBMISSION OF DOCUMENTS DOES NOT GUARANTEE APPROVAL

If you did not have any extenuating circumstances which prevented you from meeting Satisfactory Academic Progress, you may re-gain financial aid eligibility by the following 2 options:

- Attend the summer session classes and complete the sufficient coursework to raise your academic progress to meet the standards. (You **may** still qualify for financial aid during the summer term)
- Use your own resources to attend and complete coursework until you raise your progress to meet the standards.

Changes in major and double majors are not viewed as extenuating circumstances, since the standard is quite generous in the time frame allowed to complete a degree.
